PICK UP AFTER YOUR DOG AND YOURSELF! FOR FIRST TIME COURSERS AND HANDLERS

WHAT ARE PRE-ENTRIES? - Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the trial. Always have your dog's registration materials with you when you go to a test.

WHAT ARE "DAY OF" ENTRIES? - Entries accepted after the closing date for pre-entries are considered Day of Entries. The deadline for Pre-entries is typically two days before the event. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the trial. If you are entering on the day of the test, you **MUST** have your completed entry to the Test Secretary **before** Roll Call.

SLIP LEADS - There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous.

Slip leads will be available.

INSPECTION - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.

The Inspection Committee has the authority to dismiss a dog from test & the entry fee(s) will be refunded.

ROLL CALL - The time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, *and breed disqualifications (where applicable)*. *Unsprayed bitches are examined to see if they show any evidence of being in season.* After roll call the list of passed hounds is taken to the Field Test Secretary so that the run order can be prepared.

***Any dog not present 5 minutes after roll call will be considered absent.
All dogs will be inspected prior to roll call***

RUN ORDER LIST - This is a posted list of the running order for the dogs participating in the event. Always check the record sheet after the Roll Call to confirm your dog's Run Order.

FOR EXPERIENCED HANDLERS

Pre-entered dogs can go directly to the Inspection Committee on the announcement of Roll Call. "Day of" entry dogs can go to Inspection after entries are received. Upon completion of Inspection, the Run Order list will be posted.

WHAT MUST MY DOG DO TO PASS THE C.A.T.?

The Coursing Ability Test (C.A.T.) is a Pass or Fail test where-in all entrants always run singly. This is to say they run once, and they run alone. Because safety is of the utmost importance, the C.A.T. takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic bags.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion.

CAN MY DOG EARN AN AKC TITLE FOR COURSING ABILITY?

Three titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower level title.

Coursing Ability (CA) - Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

Coursing Ability Advanced (CAA) - Dog passes the Coursing Ability Test ten times.

Coursing Ability Excellent (CAX) - Dog passes the Coursing Ability Test 25 times.

Coursing Ability Excellent 2 (CAX2) - Dog passes the Coursing Ability Test 50 times.

A higher numbered title will be awarded for every additional 25 passes.
